Greetings from Cascade Medical Foundation!

We invite your company to help sponsor the 24th Annual Cascade Golf Classic on Monday, June 21, 2027, at Kahler Mountain Club near Lake Wenatchee.

Proceeds from this year's charitable golf tournament will help purchase a new **$400,000 mammography system** for Cascade Medical. This state-of-the-art technology will provide faster imaging, enhanced image quality, greater patient comfort and improved efficiency for both patients and healthcare providers.

Cascade Medical Foundation has committed to raising at least $200,000 toward this project by November 2027, with Cascade Medical providing the remaining balance. Thanks to sponsors like you, we are moving closer to our goal of ensuring local access to the highest quality breast imaging services.

*As Cascade Medical's Radiology Director **Deseree Bybee** explains, "All of us know someone. Early detection is the best detection. We want every woman to feel safe, heard and loved."*

Cascade Medical is a rural, critical access hospital serving residents and visitors throughout the Upper Wenatchee Valley, from Stevens Pass to Blewett Pass, including Leavenworth, Plain, Lake Wenatchee, Peshastin and Dryden.

Why become a sponsor?

- Support a project that will directly benefit women and families throughout our region.
- Gain visibility at one of the Leavenworth area's largest charity golf tournaments.
- Demonstrate your commitment to local healthcare and community well-being.
- Help bring advanced breast imaging technology to our community.

Thank you for considering a sponsorship of the 2027 Cascade Golf Classic. Together, we can help ensure local access to life-saving breast imaging services for years to come.

Sincerely,

Cascade Medical Foundation, Chair
