Cascade Medical Foundation would like to invite you to be a sponsor of Jive Time in the Cascades, a fundraising concert featuring Bandits of the Animal Kingdom, coming Saturday, Aug. 29, 2026, to Silvara Cellars in Leavenworth.

Proceeds from this event will help purchase new equipment for Cascade Medical's Endoscopy Suite — advanced technology needed to enhance the delivery of colorectal cancer screening and other vital diagnostic endoscopic procedures close to home.

Cascade Medical has offered endoscopic services, including colonoscopies and upper endoscopies for 20-plus years, helping detect and prevent gastrointestinal diseases. In response to demand, those services are now being offered two days a week at the rural Leavenworth healthcare facility.

To keep pace with advancing technology and support the expansion of services, Cascade Medical Foundation has launched a \$101,000 fundraising campaign that will provide:

- A new endoscope for upper endoscopies
- 2 new colonoscopes
- An ultra-high-definition monitor & video system

The goal is to complete the campaign by fall 2026.

Why should you consider being a sponsor?

In addition to supporting a life-saving cause:

- Jive Time in the Cascades is a fun, community event, offering visibility for your business and an opportunity for you to show your support of local healthcare.
- Your support will allow Cascade Medical to better serve its patients and the community!

Thank you for considering becoming a sponsor this year.

Sincerely,

Cascade Medical Foundation
