Flowers & Art – Dig It!

25th Annual Garden & Art Tour Coming Up

The best celebrations are encircled by flowers. Come celebrate with us at our 25th Annual Garden & Art Tour on **August 7th from 12 to 5pm**. We promise a day surrounded by beauty, all for a good cause - fundraising for ambulance safety equipment.

The tour includes 10 diverse gardens throughout the Leavenworth area. You'll be moved by dahlias, awed by vegetable abundance, dazzled by verdant green and splashes of colors.

Most of the gardens are private, but two are public including the gardens at the Wenatchee River Institute (WRI).

"A dedicated group of volunteers work throughout spring, summer and fall to keep our gardens looking beautiful and inviting. I hope people will see how a community coming together can make a place come alive." says Rachel Bishop, WRI Community Programs Director.

"As a nonprofit trying to connect people to the natural world, we are thrilled to be a part of the Garden and Art tour. Gardening is another wonderful way to spend time outdoors."

Let's not forget the art! Fifteen artists as varied as they are creative, are sharing their lovely work with tour visitors. Artwork is also currently up for bid in a virtual auction from July 15 through August 11. Check out the wide range of beautiful pieces at 32auctions.com/cmfi. This is a special opportunity, and we are grateful for the artists' support.

Each visitor is also invited to enjoy free wine tastings at Icicle Ridge Winery and Silvara Cellars. Tickets are \$20 and can be purchased at select locations.

Madrugada Pottery

An afternoon of gardens, art & wine.

Home Grown Philanthropy

Mike West Leavenworth Realty

Mike West Leavenworth Realty has been helping residents with home sales for forty years.

"Mike and I were both born and raised here. Giving back to the community that we fondly call home is hugely important to us," said managing broker, Ken West.

"We were born at Cascade Medical. At that time, it was called the Leavenworth Sanitarium, which is of course on our birth certificates!"

Giving back to the community that we fondly call home is hugely important to us.

Ken West

Mike West Leavenworth Realty

In addition to continued sponsorship of CMF's events, Mike West has supported the schools, including helping start the girls' soccer program at Cascade High School years ago.

"We do a big Thanksgiving donation for meals and a big toy donation for Christmas—those are my favorites," said Ken.

Ken also served on the CMF board for six years and is proud of fundraising for projects including a new ambulance.

"When I was approached to be on the board it felt good to help with something so important. The legacy of the founding members needs to be carried on."

We agree and are thankful for sustaining partners like Mike West Leavenworth Realty.

Shared Food is a Gift: Restaurants are reviving after the hardest year ever. So, it's amazing that some readily agree to partner with us for Benevolent Nights! As you celebrate the freedom to dine with friends and family, please join us in supporting these restaurants that show their deep commitment to community.

Golf Classic - an Ace Tournament!

18th Annual Event at Kahler Glen is a Big Success

CMF brought back our beloved golf tournament for the 18th time after a necessary hiatus last year.

The Foundation is very appreciative of the overwhelming support from our community and the best sponsors any nonprofit can ask for.

Bob Jennings
CMF Board Chair

Fifty-one sponsors were very generous. Our hardworking board divided and conquered the many tasks required to pull off a complex fundraising event. We garnered many new fantastic volunteers. Over \$40,000 net proceeds were raised.

The day at Kahler Glen was sundrenched, but we were graced with breezes and shady spots under the trees. The 27 teams had a great time

participating in a sport they love and feeling good that it was done safely to raise money for critical ambulance safety equipment.

Participants were some of the first to view the new mobile clinic which will begin service as soon as a bilingual provider is hired to staff it.

"The Foundation is very appreciative of the overwhelming support from our community and the best sponsors any nonprofit can ask for," said CMF Board Chair, Bob Jennings.

"There are so many people to thank: golfers, sponsors, hospital staff, board members and our awesome volunteers. The success of our hospital is truly a community effort."
